

This is a detailed urban planning map of Vatra Dornei, Romania. The map illustrates various land use zones, including residential areas (yellow), industrial zones (brown), and the historical center (CENTRUL ISTORIC, red). It also shows infrastructure such as roads, railways, and water bodies. Key locations labeled include Argescu, Vatra Dornei, Roșu, and Todireni. The map includes a scale of 1:500, a north arrow, and an inset map showing the location within the administrative territory of Comuna Săruț Dornei. Various planning codes (PA-001 to PA-025) are marked throughout the map.

The map displays the administrative boundaries of the commune of Vatra Dornei, outlined in red. It also shows the boundaries of neighboring communes: Todireni to the west, Borca to the east, and Saru Dornei to the south. A proposed highway route, labeled 'Traseu propus autostrada A14', is shown as a green line with arrows indicating the direction of travel. Several high-voltage power lines are marked, including 'LEA 20kV' and 'LEA 110 kV'. Two specific areas are highlighted in orange and labeled 'zona locuire' (residential zone). The map includes a north arrow and a scale of 1:5000. The terrain is depicted with contour lines, and various roads and water features are also shown.
